STUDBROOK SERENA A065 (AI) (ET) (P)

Comments: A Mason son that would be perfect for heifer joinings. A very safe bull that you cannot go wrong with. Comes from a very consistent and strong material line that has bred very well for us over the years. Universal sits in the top 8% for maternal cow weight.

Comments: A Nottingham son that has great hair and colour. Would be a great commercial sire who comes a very strong maternal line.
